

MONTHLY DIARY - EVENTS CURTAILED

Our Monthly Diary for March and April is severely disrupted by current COVID-19 measures. Many of our home-groups are attempting to meet up electronically in a virtual way using social media and various instant meeting software.

Sunday services along with other meetings the church premises have been cancelled but we managed to stream a service using the ZOOM meeting application on Sunday 22 March and intend to do so each week now until the crisis is over.

Details of how to join are on the Welcome page.
